

Independent Arbitration for Customers

Good Garages Scheme (GGS)

Application Form

What is this Application for?

- This application form is for the customer to bring a claim against a GGS Registered Garage if they have not been able to resolve the complaint directly with the Installer or via GGS.
- The application form will ask you for the details needed to understand what you would like the garage to do and to help an arbitrator decide your dispute.
- Arbitration is legally binding under the Arbitration Act of 1996 and can only be appealed in the High Court on a very narrow set of circumstances related to procedure.

What do I need to do?

- Please read the Scheme Rules carefully before you fill in and return this form. They should be attached to this application form and can also be found on the CEDR website.
- Fill in the application form giving as much information as you can.
- It may take you some time to go through the application form and to get all your facts together, but having all the information will help us assess your case fairly.
- This process is conducted entirely in writing. You must ensure that you provide sufficient information and supporting evidence to substantiate your claim.

Before you can make an application:

- You must first use and exhaust the garage's own complaints procedure.
- You must refer the matter to the Good Garages Scheme.
- You must reach a point where the Good Garages Scheme has issued you with an application form.

Please let us know if you have any practical needs where we could help – for example with information in another format (e.g. larger print, another language, etc.). If you require assistance in completing this form please contact CEDR:
